I. Introduction

- a. Last Week – God's mercy vs God's grace.
 - 1. Mercy pardons, gives peace, heals and comforts.
 - 2. Grace elevates us and places us in Christ's family.
 - 3. How to get God's grace and mercy– Heb. 4:16, show mercy, comfort others, speak the blessing over others, humble ourselves, and by doing nothing – because we are in a covenant relationship with Jesus and he has our back.
- b. This Week – there is hope - God's grace is sufficient for any situation.

II. God's Grace is Sufficient for all of our needs and desires.

- a. **1 Corinthians 15:9-10** – God's grace is sufficient for service.
 - 1. Notice "I labored" vs "yet not I, but the grace of God with me".
 - 2. We admire Billy Graham, Elizabeth Elliot, and Dr. Jerry Falwell.
 - 3. The goal is not to compare ourselves but to use our gifts with the measure of faith given to us.
 - 4. We all have gifts to use to benefit the body.
- b. God's grace is sufficient for hobbies.
 - 1. God wants us to enjoy his creation – enjoy your hobbies!
 - 2. Mt. Rainier illustration.

- c. God's Grace is sufficient for your children.
 - 1. Do you have unsaved kids?
 - 2. Do your children have physical/emotional problems?
 - 3. Joe's story.

- d. God's Grace is sufficient for those who have been impaired by stakes.
 - **2 Corinthians 12:7-10** – Grace to minister under duress
 - Just because you are suffering does not excuse you from ministry.
 - **John 19:25-27** – Jesus was on the cross ministering to people-why didn't he minister to them before going to the cross?
 - Thief on the cross.
 - People who suffer can often help others in similar situations.

- e. God's Grace is sufficient for horrible tragedy
 - Jen Barrick's testimony video.
