**A. Last week we started a new series titled “When the Devil Comes Around.”**

- Last week’s message title was: “How do you know when the devil comes around?”

**B. This week’s message title is: “What do you do When the Devil Comes Around?”**

- a) We found out last week that the devil is a deceiver
- b) And an accuser of the brethren.
- c) This week we start with the devil being the tempter.

- “What do you do when the devil comes around?
1. You learn the written word of God in its proper context over every area of your life (this is an ongoing process).
  2. You quote the written word of God to the devil.

- **Matthew 4:1-11**

- Why do you think that Jesus was not able to be deceived or tempted?

➤ **John 14:28-31**

3. Get rid of what the devil has in you.

- **Matthew 15:15-20**
- **1 John 2:16**

4. Submit yourself to God, resist the devil and he will flee from you.

- **James 4:6-10**

5. The believers defense against the devil is:

- By the blood of the Lamb.
- Because of the word of their testimony.
- And they did not love their life even when faced with death.

- **Revelations 12:9-12**

**C. Call the worship team up, then call the prayer team up.**

**D. Call the prayer team up.**

**E. Closure**
